

Q Did you work at that time?
A Yes, I was there from March until
November.

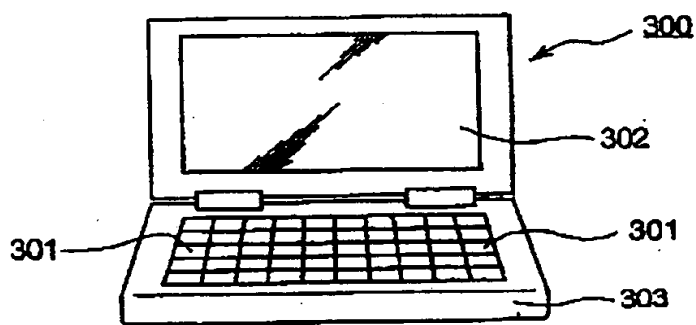

FIG. 14

Fig. 1 is a cross-sectional view of a semiconductor device. It shows a substrate 20 with a first conductive layer 21, a second conductive layer 22, and a third conductive layer 23. The third conductive layer 23 is divided into regions 23a, 23b, and 23c. A fourth conductive layer 24 is shown on the right. Brackets indicate regions 25, 26, 27, and 29.
